Father & Son

SHARING THEIR PASSION FOR CONTEMPORARY DESIGN

COUTURE Jardin is a family-owned company of contemporary outdoor furniture. It was founded in 2009 by Canadian designer-entrepreneur Normand Couture and his son, Philippe.

During school breaks, Normand's son would often work on dad's upholstery line in Montréal. Little did anyone know at the time, that he would eventually join his father 10 years later.

Philippe came on board as the CEO of COUTURE Jardin relocating the whole operation to Florida, USA, to better serve the fast growing company.

Today, as a father and son team, we can pride ourselves for having established a significant brand highly esteemed by contemporary design addicts worldwide. We are sharing, together, our passion to deliver, in a timely manner, authentic designs of high quality at a fair price for both residential, commercial and hospitality markets.

While we cannot talk about tradition yet, we can surely envision the next decades with a great enthusiasm, seems like...a tradition in the making!

The company is headquartered in Fort Lauderdale, Florida with showrooms and warehouses in North America and Asia and great people to take care of you.

COUTURE Jardin owns numerous design protections worldwide and preserves his intellectual property.

SKY CABANA

nder the sun, the moonlight or even a light rain, you will love SKY Cabanas. The 100% recyclable aluminum structure conceals an ingenious roof. Thanks to an easy to maneuver mechanism, the slats can be oriented to let the sun in or out or in between. Should the rain start to pour, hop you go, just rotate the handle to close the roof, the rain will first drip through the side gutters and then evacuate down the four posts, easy and very clever, a little piece of heaven, at your convenience.
